

RCC CNA2, GENERAL INFORMATION

DESCRIPTION: The Rogue Community College--- Allied Health CNA 2 Acute Care Training Program curriculum is approved by the Oregon State Board of Nursing (OSBN). This program provides 40 hours of classroom and skills lab instruction and 24 hours of clinical practicum (64 hours total). Classroom instruction consists of lecture, group activities, and class discussion. The skills lab provides an opportunity for students to learn, practice, and demonstrate CNA 2 Acute Care skills. Clinical practicum is held in the acute hospital setting.

COURSE OBJECTIVES: Upon completion of the CNA 2 Acute Care Training Program, the learner will be able to:

- 1) Demonstrate knowledge of conditions and actions that serve patients' safety, prevent complications, communicate patient responses to the nurse, and record outcomes of patient care
- 2) Recognize, identify, and report normal and abnormal patterns in clinical findings and patient behaviors
- 3) Demonstrate adherence to patients' plan of care
- 4) Demonstrate understanding of teaching on body systems, pain, treatments, symptoms, and their mutual relationships
- 5) Demonstrate new technical and interpersonal skills and designated tasks
- 6) Demonstrate proper use of diagnostic, safety, and therapeutic devices within the nursing assistant's scope of practice
- 7) Demonstrate adequate understanding of the relationship between clinical skills and devices, and disease processes and their treatments
- 8) Recognize and encourage the appropriate patient attitudes and actions, that reinforce patient independence and healing
- 9) Model appropriate behavior to peers, demonstrating proper methods for addressing patient care needs on an individual basis

REQUIREMENTS AND GENERAL

INFORMATION: A current, unencumbered Oregon CNA 1 certificate must be uploaded to www.certifiedbackground.com prior to being admitted into class. No exceptions.

Payment of a non-refundable fee is due to www.Certifiedbackground.com

Tuition: \$1050. Scholarships may be available.

ATTENDANCE

Students must attend all scheduled hours, which includes the required orientation day plus the 40 hours of the course. The OSBN requires that students attend 40 hours of classroom/skills lab time and 24 hours of clinical practicum.

Emergencies will be dealt with on an individual basis in accordance with established policies and procedures.

SUPPLIES & HOMEWORK

Throughout the course you will be assigned readings from a Nursing Assistant textbook. We will be using Mosby's Textbook for Nursing Assistants 8th Editions. You will be required to have reading done in preparation before each class. Asante Health System Study and skills modules will be distributed on the first day of class. It is also recommended that you bring a pen, notebook paper and a 2-2 ½" 3 ring binder.

DRESS CODE

Students are expected to conduct themselves in a professional manner. Royal blue scrubs with white or black shoes with leather uppers and a rubber sole. You may also wear a white scrub jacket or lab jacket.

CANCELING REGISTRATION

If you are registered, but no longer plan to attend, you must drop the course no later than one day before the course starts to receive a refund or to reverse the charges on your account. No refunds will be given if you drop after this deadline.

TESTING AND EVALUATIONS

Students must receive a minimum of 75 percent on any quiz or exam to continue in the course and be eligible to participate in the clinical practicums. The OSBN-approved written final exam is administered at the end of the instructional portion of the class and the skills lab, before the clinical rotation, and must be passed with a minimum of 75 percent to become certified as CNA 2 Acute Care. Skills competency will be evaluated during the skills lab. Students must demonstrate competency of the skills in a simulated situation to pass the exam. Clinical experience will also be evaluated and reviewed on a daily basis. Failure to pass the skills exam or the clinical practicum will result in failure to complete the CNA 2 Acute Care class.
