Nursing Assistant Courses
.250 NA Orientation (0 credits)
NA101 & NA101C (9 credits)
Course Requirements
Prerequisites for both .250 (Orientation) and NA101:

- RD30
- WR115
- MTH60

Or sufficient placement test scores

CPR Certification

- We accept only current AHA BLS/Health Care Provider courses
- Proof of certification must be presented by the deadline given in the orientation

Registration

- Registration for NA101 (7 credits) and NA101C (2 credits) is only available with the permission codes and will be explained in the Orientation (.250).
- .250 and its wait list may fill very quickly once registration opens.

Course Information

The Nursing Assistant (NA) courses meet the education requirements for individuals wishing to become CNAs (Certified Nursing Assistants) in Oregon. Nursing assistants perform routine tasks under the supervision of nursing and medical staff.

Duties Include but are not limited to:

- Answering patient call bells
- Serving meals
- Helping patients eat, dress, and bathe
- Taking temperatures, pulse, respiration, and blood pressure
- Helping patients get in and out of bed and walk

NA101 and NA101C are offered Summer, Fall, Winter, and Spring terms. NA101 is only available on the Table Rock Campus (TRC.) NA101C takes place in a long-term care facility either in Grants Pass or Medford, therefore reliable transportation is highly recommended.

Criminal Background Check

Following the mandatory orientation (.250) students must meet deadlines to initiate the required criminal history background check and to be given the permission code and instructions to register for NA101 and NA101C. For a list of Permanent and Potentially Disqualifying Crimes please visit http://learn.roguecc.edu/nursing/nursing_assistant/home.htm and scroll to the "Criminal Background Check" section.

Technical Standards

Nursing Assistants must possess the physical and cognitive capacity, emotional stability, and communication skills essential for the delivery of safe, effective care. Students admitted to Nursing Assistant 101 and 101C, with or without accommodation, must be able to meet the academic and technical standards (essential functions).

Certification

After successful completion of the nursing assistant course, students have met the educational requirements to be eligible for the certification exam through the Oregon State Board of Nursing.
