

Sites for Job Postings

Indeed.com

Employment Office <http://www.emp.state.or.us/jobs/>

usajobs.gov – one thing to notice about this site is you can type any word to search and it will search the job title and description. You may want to consider refining the posting date range.

Simplyhired.com

Rogue Valley Jobs.net

Craigslist

dice.com

<http://www.southernoregonjobs.com/>

Employment and Career Change Resources for People over 50: <http://www.workforce50.com/>

Official Department of Defense Website:

Also consider searching different companies within our region.

Start with ideas like:

- Top Companies in Southern Oregon
- Best Companies in Oregon

Many companies' first list position openings on their own sites; bookmarking companies that you are interested in working for and then visiting their site regularly is important.
