

# Earth Day 2018 and Service Learning

Earn  
college  
credit  
when you  
volunteer!

Looking for students to assist with Earth Day 2018! Great opportunity for students to learn the details of planning a large-scale event. Earth Day volunteer experience will include:

- Communicating with local farm, forest, water and transportation organizations.
- Assisting with marketing, media, and community outreach.
- Gaining skills with Google forms and sheets.
- Great experience for your resume and/or college application!
