***ENGR 101/103 + CS 161 + (CS 162 or CS 133U) will count as ECE 101/102/103. Those courses marked with a “[P]” are required to apply to engineering professional school. For each term, the left column refers to the prerequisite for the RCC class, the center column refers to the RCC class and the right column lists the course number the RCC class transfers as to PSU.**
