Planning Ahead for the EMS Application

Students planning for the EMT, AEMT, or Paramedic courses starting in fall or winter can utilize the information below until the application and link to Qualified First is activated on the April 1st prior to the fall or winter course. Entrance into the EMS course is granted to students who complete the entire process outlined in the application and below. We do not reserve positions in the course for students that are “in process” unless otherwise noted. For paramedic applicants, additional information will be required and are outlined in the application or can be answered by speaking to an EMS advisor.

On April 1st, this page will be updated to include required information for purchasing the EMT or Paramedic application/tracker through Qualified First. Once that tracker has been purchased, you will upload all documents into that account; they **ARE NEVER** accepted in-person, by email, or other means directly to our department. Qualified First is the only way documentation is accepted. If there are ever any concerns with why a document is not being accepted, contact Qualified First initially and then Rusty Riis at rriis@rogucecc.edu if your issue is NOT resolved.

Educational Requirements for EMT and AEMT

(Paramedic applicants must meet with an Advisor for additional education requirements.)

All new RCC students must complete the placement process before registering for classes. This requirement may be completed based on college transcripts, placement test results from another college, qualifying SAT/ACT scores, a placement assessment and more. Visit <https://web.rogucecc.edu/placement-process> or contact recruitment@rogucecc.edu for more information.

- Students must have completed RD90, or be eligible for RD115
- Students must have completed WR90/WR91, or be eligible for WR115 or higher
- Students must be eligible for MTH20 or higher
- AEMT Only- Proof of EMT license is required to gain entrance into the course is required by the start of the course.

*** Students must provide proof of completion of the placement process or unofficial transcripts from RCC that meet the above requirements. Students who fail to provide appropriate documentation will be removed from the EMS registration process***

Immunization and Required Forms

Waivers of these course requirements based on religion, personal preference, or other reasons are not permitted due to public health safety standards that must be followed.

For each of the immunizations listed, OFFICIAL medical documentation from a physician, clinic, county health department, or similar entity is required. School records are not accepted.
